Happy Friday to everyone! Thank you to everyone for coming to Parent-Teacher Conferences. We appreciate you taking time to come and visit with us. Thank you for all of the kind words that you shared with me about our students and staff. It is always good to hear such positive comments.

Thank you so much for supporting our school with our fundraiser. Boxes are still coming in so we hope to find the grand total very soon to see if we get to host the BMX bike show in November!

There are lots of important dates coming soon such as Grandparent's Day on November 19th!

Have a great weekend!

Mark Lewis

Jim Stone recently hosted a nationally recognized Day of Service. We partnered with USGBC, Goodwill, Lowes & CAB to promote environmentally friendly actions. We hosted an eWaste collection to reduce landfill waste. We collected 14,300 lbs of electronics & other household items. Lowes donated several trees that will provide cleaner air. They also donated mulch to help our playground be safer & to freshen up our flower beds. Lastly, Conway Advocates for Bicycles set up a bike rodeo to promote emissions free travel.

Thank you to those of you that volunteered & those that donated items to the eWaste collection.

We plan to do this again next year so start saving items & spread the word!
