

# One Team One Dream Reading Log

Name: \_\_\_\_\_

Teacher: \_\_\_\_\_

Directions: Read any book and write the title of the book on this log. If you read a **chapter book**, every 50 pages counts as one book, so if a book has 100 pages, write the title down 2 times, 150 pages 3 time, etc. After you have read 15 books, ask a parent or adult to sign the reading log. Return the log to Mrs. Bentley to earn a prize. For each reading log turned in to Mrs. Bentley, the class moves forward ten yards on the football field. The class in each grade level with the most touchdowns wins an extra recess!

# One Team One Dream Reading Incentive

Dear Parents,

We are encouraging the students to read this year with our "One Team One Dream" incentive program. There will also be a competition among grade levels for the most books read, with the winning class in each grade level winning a free recess.

Here's how it works:

Students may read any book and write the title of the book on the log. If they read a **chapter book**, every 50 pages counts as one book, so if a book has 100 pages, write the title down 2 times, 150 pages 3 time, etc. After every 15 books, a parent or adult will sign the reading log, and return the log to Mrs. Bentley to earn a prize. For each reading log turned in to Mrs. Bentley, the class moves forward ten yards on the football field. The class in each grade level with the most touchdowns wins an extra recess!

For the first 15 books that are read every month, your student will receive a certificate for a free Personal Pan Pizza from Pizza Hut. Pizza Hut is partnering with us through the Book It! Program.
