

Minds Under Construction

Reading Incentive

Dear Parents,

We are encouraging the students to read this year with our "Minds Under Construction" incentive program. There will also be a competition among grade levels for the most books read, with the winning class in each grade level winning a free recess.

Here's how it works:

Students may read any book and write the title of the book on the log. If they read a **chapter book**, every 50 pages counts as one book, so if a book has 100 pages, write the title down 2 times, 150 pages 3 time, etc. After every 15 books, a parent or adult will sign the reading log, and return the log to Mrs. Bentley to earn a prize. Once a student has earned the top prize, he or she will start all over with the prizes, but will earn an entry to win a Kindle at the end of the program.

For the first 15 books that are read every month, your student will receive a certificate for a free Personal Pan Pizza from Pizza Hut. Pizza Hut is partnering with us through the Book It! Program.

KICK OFF
THE BOOK IT! PROGRAM

with these free eBooks!
