Mr. Lewis' Weekly Round-Up....

Happy Friday to everyone! It is mind boggling to think that we've already been in school for a month. Things are settling in and we are hopeful to see the completion of our drainage and track project very soon. Thank you for your continued patience.

I hope that you will help support our school through our fundraiser. Nick the Candyman is back and is working with us to sell World's Finest Chocolate Bars. Our goal is \$10,000. When we reach that then all students and staff will be treated to a BMX bike show. Please be sure and check your child's folder for information.

Don't forget the Green Apple Day of Service on September 26th. We will have a bike rodeo, Kona Ice will be here, the public can recycle electronic waste, and we are going to work together to beautify our campus. I hope that you can come for at least a little while.

Have a great weekend!
Mark Lewis

GREEN APPLE DAY OF SERVICE

Green Apple Day of Service
September 26: 8am until 12:00pm

Jim Stone Elementary School invites parents, students, and community members to help make their school more "green" on Saturday September 26th from 8am-noon.

The school will host an e-waste drive, as well as a bicycle rodeo, and a school-wide workday focused on landscaping.

Kids are invited to bring their bikes for a bike "rodeo" in the school's north parking lot, while parents work on mulching flower beds, trimming hedges, and planting trees around the school.

Anything with a cord can be dropped off for free e-waste collection in the front of the school.

Water bottles and library books don't mix!

Make sure to keep full water bottles out of backpacks with library books!
Thanks so much!
