## Mr. Lewis' Weekly Round-Up....

Happy Friday to everyone! I hope that everyone got to see our parade float. Thank you to Donnie Dietz and all of our volunteers who made this possible. Our float was the very best as usual and was a wonderful representation of our school!

Your kids may have been coming home talking about some of our disaster drills over the past week, or so. We do fire drills monthly, tornado drills in September, October, January and February, and lockdown drills at least twice per year. Each September, we choose a week to refocus on school safety in a kid friendly manner. We do the aforementioned drills, as well as a reverse evacuation (getting into the building from the playground quickly), campus evacuation (talk about this in classrooms), and use a great book to talk about dealing with an intruder. For more intruder information, please go to <https://www.alicetraining.com/our-program/alice-training/k12-education/age-appropriate/>. Please visit with your students and encourage them not to be afraid and how the adults in the building go above and beyond to keep them safe!

Don't forget to sign up for WatchDOGS and MASHmoms! Information is on the webpage.
