Mr. Lewis' Weekly Round-Up....

Happy Friday to everyone! Thank you to Mrs. McCoy and all of our Kindergarten, First Grade, and Second Grade students and teachers for a wonderful musical! This is another example of how multitalented our kids are at Jim Stone!

I want to thank everyone for helping us with the smoothest arrival and dismissal procedures that I've witnessed in 15 years in this building. It is a huge help when kids are ready to exit the vehicle at arrival time. That is a congested time and every single vehicle helps to keep a smooth flow of traffic entering and leaving the drop-off areas. Just a few reminders:

Front Drop-off:

- Please drop off at any point that there is a sidewalk. Students in orange vests serve as our Safety Patrol, and they are available to assist and direct students to the building.
- Please do not drop off at the white fence entering from College unless traffic is backed up to that point.

Please do not turn right into the front drive, as it disrupts the flow of traffic on College and in our front drive.

North End Drop-off:

- Please have kids exit three vehicles at a time. Students need to move along the fence on the east side of the parking lot and enter the building at the north entrance.
- **If you have a situation that the adult needs to exit the vehicle, please make arrangements with the front office to park in a designated spot and escort your child to the north end sidewalk.**

Please exit onto College Avenue by turning left (westbound).

Thanks for all that you do to keep our students, parents and staff safe. Have a great weekend!
